

Bluebonnet Times

Volume 54

March, 2018

Written by Debbie Sak

The Bluebonnet Travelers had an Irish celebration in Crockett in March. The weather was terrific so we played bean bag baseball outside.

We had a great turn out and there was never a lack of fun. Several of the ladies made Irish crystal earrings and there was always a game of Joker going. The food was mostly Irish or green and you had to be there to experience the many culinary talents of our members. From potato soup, to Irish stew, to salads and veggies, to "grasshoppers", to colcannon (you might want that recipe from the Kowalyks), to yummy desserts to fit the theme. The last night we played a game of LCR (Left, Center, Right) and Leslie Keener won the pot of gold, or should I say green.

Hope you recognize all the members. There are also a few honorary members that have been spotted around town.

Hope to see you in Aransas Pass or Victoria.
