2018 Grand National Rally - July 23 - 28th

Let me start with the weather - the temperature was amazing, several mornings in the 50's and most days in the 70's. And rain only impacted the Texas attendees dinner under the tent on Wednesday night.

There were 71 coaches from Texas in attendance and we are hoping to get some of them to join Texas W and local chapters in their area. So far we have 6 new Texas W members and one couple interested in joining the Bluebonnet Travelers.

I encourage you to attend the event next year, it is a wonderful chance to meet new friends, learn about your coach and have lots of fun.

Upcoming Campouts
