A Club Meeting & Rally

Our quarterly gatherings usually start on Friday and run through Sunday morning. Our gatherings consist of Meetings and Rallies. The Meetings and Rally are held at various locations around the state and hosted by one or more of the Local Chapters. Meetings are normally held in January, April, and July. In July, the Meeting is held at the Grand National Rally in Forest City, Iowa, the home of Winnebago Industries. October is reserved for our annual Rally. A Rally tends to be more elaborate than a meeting, with more prizes, activities, and entertainment.

During a Meeting or Rally and throughout the day members enjoy playing games, such as, Dominoes, Bean Bag Baseball, Joker, Skip Bo, Chicken Foot, Mexican Train, or just visiting. A craft or tea party may be offered for the ladies and a tailgate party for the men. Tours of attractions and activities common to the area may also be arranged. Members sometimes arrive early and stay late to visit the local attractions. A typical gathering may include a catered breakfast and dinner on Friday and Saturday, followed by coffee and pastries Sunday morning. A business meeting is conducted Saturday morning with a devotional held on Sunday morning
