Dear Texas W Members,

Considering the Coronavirus COVID-19 and our concern for the safety of our members and staff at the RV Park, it is prudent to cancel the April Texas W Meeting in Lake Braunig. The CDC has indicated that most of us are in the high-risk category for the most serious consequences of the virus. We need to stay home and practice social distancing.

In addition, we are all located in different areas of Texas with different models of how the virus will continue to spread. It is imperative that we flatten the curve and if we come from all over the state, the spread among us could potentially be devastating. Most counties are under various Stay at Home Orders.

Non-essential gatherings are prohibited under penalty of fines and up to six months of jail time. Non-essential travel is also prohibited. Bexar County, where the meeting was scheduled is under an order to shelter in place effective until April 9th.

While we all hope this pandemic is over quickly, we need to keep each other safe, so I decided to cancel the meeting. Hopefully by October, this will be well behind us and we can gather for the State Rally in Perrin, Texas.

Praying for your health and safety,
Debbie Sak
President, Texas W Club
