

Are you ready to celebrate?
It's TexasW's 50th Anniversary

Our state rally will be held in October. The official start of the rally is Friday, October 22nd ending Sunday, October 24th. We are always anxious to get together and do more exploring, so some members and guests will start arriving on Wednesday, October 20th. There are some Pre-Rally Activities suggested below for you to explore on your own on Thursday, October 21st. Get with your friends and plan a couple places to go together.

Registration for this rally can be done a couple of ways. 1) There is a new option to register from the TexasW.org website, using your credit card. 2) The older option is also available to print out the registration form on the website and mail in with your check. You can send any questions you may have to president@texasw.org or treasurer@texasw.org.

We will have a painting class and lots of games to play – Horseshoes, Chicken Foot, Joker, and Card Bingo. Just a hint, you may want to brush up on your Bean Bag Baseball skills too. We always have lots of competition. Of course, food is always a highlight, so come hungry. We will have a catered meal complete with an Anniversary Cake Saturday Night, with a band to follow.

There will be our traditional silent auction also with all proceeds going to The Center for Intrepid, Fallen Heroes Fund. Please bring your new or slightly used items to sell and support our charity.
