PRESIDENT'S LETTER

Hey everybody,

Are y'all ready to have some fun and catch with all your friends? We are planning for a great state rally in Mineola, October 13-16, 2022. It's a week earlier than normal because Louisiana is having their rally the following week. Please register soon so we will know how many folks are coming. There are links on our website, Texas W Club for online registration and the agenda.

[Rally agenda](#)

We would love to see all of you and hope you can come. You might want to come in on Wednesday, so you don't miss any of the fun. Things to think about:

1. We are having a **decorate your RV contest** so put your thinking cap on.
2. Thursday will be a **fall themed potluck dinner**, so bring your favorite dish. Dessert is provided.
3. The **Silent Auction** is still our biggest fund raiser for the [Intrepid Fallen Heroes Fund](#), so bring those new or gently used items for sale.
4. Bring a roll of toilet paper to make a **fun pumpkin**, all other supplies furnished.
5. We will have **door prizes** and **50/50 tickets** for sale.
6. Get ready for our entertainment - [Rick Morrill - Comedy Magician](#)

So mark your calendars and sign up today. Any questions, please call Debbie Sak (281) 799-5627 or email at president@texasw.org

See you there,

How to find a certified Inspector when purchasing a used RV, Travel Trailer or Fifth Wheel

Texan RV Park is not only an rv park, but it is a campus for National RV Training Academy. The Academy offers several classes and seminars throughout the year.

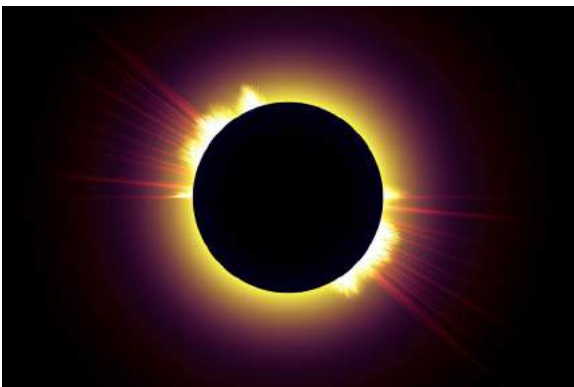

A **5- day level one Inspectors certificate** class is offered. Once the course has been completed, the individual may be registered at NRVIA, National RV Inspector Association.

[If you are looking to buying a used RV and you would like it inspected by a certified inspector, go to NRVIA.com web site and locate the nearest inspector and make your arrangements](#) for the inspection.

National RV Training Academy offers a **3- day class for rv owners**. You bring your RV and stay on the campus grounds, Texan RV Park in Athens, Texas (254) 709-3251 for the Academy.

Editor's note: Info from full-timers Stacey & Phil of You, Me, and the RV says the certification course is fantastic. You do not need to intend to become a technician or inspector to take the course. You can just go for general RV knowledge. Every system is covered in depth.

The eclipse is happening, but an RV park could be iffy...Remember April 4-5, 2024—We are working on plans to have our spring meeting that weekend so you can stay over to see the next **Total Solar Eclipse** in Fredericksburg, Texas, at the Yogi Bear RV Resort. Put this in pencil instead of ink on your calendar—no contract has yet been signed.

FUEL CARD FOR DIESEL PURCHASES

TSD Logistics is offering a discount card for diesel fuel purchases. Texas W member, Mike Ellerbrock, has had good results and shared this link to provide info:

So happy for a submission!!! However, it was a wakeup call that perhaps other people are not as taken with giant things. How can you drive by and NOT stop????!!!

Giant milk bottle marks entrance to Mary Lou's Milk Bottle, a Spokane WA diner.

GIANT RADIO FLYER WAGON—Ruth Morris drove by while traveling through Spokane WA, but didn't get a chance to stop (I CANNOT IMAGINE NOT STOPPING!!!). This photo is from [Atlas Obscura](#). She also did NOT stop at the giant milk bottle (pictured above). How could she NOT?? It's giant AND a diner!!!

You can register online at <https://eregister.texasw.org>, for automatic fees & dues calculation, and pay via credit card.
