APPS While You Travel

Allstays Camp & RV APP has been a help in our travels finding sites and the amenities offered at the RV parks. It also has bridge heights on the different highways. When using the map portion of this app you can go to an area and little icons pop up showing little black icons map locations.

Also, this app shows fuel locations as well. If you have an APP that you like please email me at

Newsletter@texasw.org

If you have an APP that makes life on the road fun and pain free, please share by emailing me at Newsletter@texasw.org

Dish Anywhere

If you have DISH in your home and in your RV, this APP enables you to stream recorded shows on your home DVR to your RV TV.

I have the APP on my ipad and iPhone. When you open the App, you are then attached to your home(Hopper) DVR. With an HDMI cord and the Apple Phone or iPad Lightning Digital Adaptor, you can then stream from the iPad or phone to your TV in RV.

WIT Club members receive special benefits, gather with other people with similar interests, and travel on a variety of special events called caravans and rallies.

More than 1,300 Winnebago Industries RVs and their owners were on hand last year for the Grand National Rally of WIT Club...and their owners enjoyed seminars, entertainment, vendor displays and making new friends at the WIT Club Grand National Rally.
